## Why a CSA Share?

Not only will you get the freshest fruit and pasta and delicious hard cider, you will help support Stone Ridge Orchard with your early season commitment. It's also a great deal!

## What Shares are Available?

You can get a full or a half-share of fruit every week, depending on what's in season: strawberries, blueberries, sour cherries, peaches, apricots, plums, nectarines, pears. In the fall, the apple varieties include Gala, Macintosh, Empire, Golden Delicious, Winesap and others.

We offer a variety of fresh pastas including fettucine, shells, radiatore, and penne. Flavors include plain, whole wheat, carrot, spinach, beet, and sweet red pepper.

We offer a variety of artisanal hard ciders in both American and European styles all distinct and elegant.
